

#89920 INSTRUCTIONS FOR INSTALLING SANDPAPER

Have a 2³/₄" x 17¹/₂" standard cut abrasive sheet. Raise one lever so it is at a right angle to the base. Insert the sheet of sandpaper under the gripper. Return the lever to the original position. Raise the second lever so it is at a right angle to the base. Wrap the sandpaper around the bottom of the base under the second gripper. Return the second lever to the original position.
